(FELONY)

June 09, 2016

The undersigned, under penalty of perjury, complains and says that on or about
in the County of BERNALILLO, State of New Mexico, the above-named defendant did:

On Thursday June 9, 2016, at approximately 01:19 hrs., I was dispatched to the Sandia Resort and Casino, Located at 30 Rainbow Road in Albuquerque, NM, in reference to a firearms exchange on the fourth level of the parking structure. Upon arrival, I made contact with security and reviewed footage, I observed the driver of a red in color honda passenger car make a firearm exchange with the owner/operator of a white in color vehicle. We were able to locate the male subject taking the firearm who placed it in the trunk of his car. Myself and assisting Officer's Johnny Ray Garcia and Tommy Gonzales made contact with a Mr. Edward Crist on the fourth level parking garage going to the white four door vehicle Bearing NM Plate 910TNB were the firearm was observed being placed on video. While talking to Mr. Crist he stated he was a convicted felon and that there is a shotgun in the trunk of his car that he received earlier from a unknown male in a red in color vehicle. Mr. Crist was placed under arrest. While pat searching Mr. Crist a glass pipe and 3 small baggies of a black substance possibly black tar heroin was located in his right front pocket. Dispatch notified me that APD ran the vehicle approximately 10 times earlier tonight, I made contact with dispatch and they stated that the vehicle was involved in two armed robberies in Albuquerque, NM earlier in the night. I coordinated with APD and an investigator was notified.

Mr. Crist granted permission to open the trunk of his vehicle and retrieve the firearm. I retrieved a 12 gauge shotgun and it had 6 shot gun shells loaded and a military Flak Jacket was also next to the shotgun. Mr. Crist was transported to the Sandia Police Department for processing. Upon inventory of the vehicle a black bag with the word "Thule" was located on the driver seat with a baggie of suspected crystal meth, two digital scales, a plastic bag with "magic mushrooms" 2 cell phones, and individual plastic bags. The vehicle was towed by duggers towing for safe keeping for investigation. Mr. Crist was transported to the Metropolitan Detention Center where he was booked and served with his paperwork.

Exhibit C

Case No: 16-000713

Investigator Lopez to meet with me at Sandia Police Department. Mr. Crist was transported to the Sandia Police Department for processing.

Officer Garcia conducted a inventory search of the vehicle. Upon inventory of the vehicle Officer Garcia retrieved a black bag with the word "Thule" that was located on the driver seat. The black bag contained a clear ziplock bag of suspected crystal meth, two digital scales, a plastic bag with "magic mushrooms", 2 cell phones, and several individual ziplock plastic bags. These items were seized for evidence. The vehicle was towed by Duggers towing for safe keeping pending further investigation.

Investigator Joe Lopez from APD arrived at the office and questioned Mr. Crist of two possible armed robberies that occurred in Albuquerque, NM earlier in the night. Field test were conducted on the suspected crystal Meth and was positive for crystal methamphetamine, and weighted 25 grains. A field test was conducted on the brown sticky substance and was positive for heroin weighed at 2 grams. The mushrooms weighted in at 3 grams. All items seized were submitted into the Sandia Police Department Evidence Locker.

Mr. Crist was transported to the Metropolitan Detention Center by Officer Gonzales, were he was booked and served with his paperwork. I later returned to Sandia Casino and reviewed the surveillance video footage of the incident. The video shows a red in color Honda passenger car entering the casino new parking structure on the south entrance at approximately 00:59 hrs with two white male subjects. The vehicle drives to the 3rd level and drives around on the 3rd level. On one of the cameras I could see the passenger holding something against his chest and appeared to be like a rifle. The vehicle then enters the 4th level parking lot and drives around the 4th level and then returns back on the 3rd level. At approximately 01:15 hrs., the vehicle enters the 4th level parking lot again and parks next to the white vehicle Bearing NM Plate 910TNB. The passenger in the red honda gets out and walks to the trunk of the honda then enters back into the passenger seat.

Mr. Crist, the driver of the white vehicle, and the driver of the red Honda exit and transfer the shotgun to Mr. Crist who places it the truck of his vehicle. The Red Honda then leaves the 4th level parking lot and exits the parking structure at 01:17 hrs. I was unable to get a License Plate number on the red Honda vehicle due to the cameras being blurry.

On video it shows Mr. Crist and a unknown female exit the white vehicle and open the trunk. Mr. Crist moves the shotgun and re closes the trunk and both Mr. Crist and the unknown female enter back into the casino. A short time later is when my self and other Officers made contact with Mr. Crist on the 4th level parking lot.

Surveillance video will be requested and a supplemental report will be submitted once video is received.

No further information. End of report.

Incident # 16-000713**NIX, JERADE**

On Thursday June 9, 2016, at approximately 01:19 hrs., I was dispatched to the Sandia Resort and Casino, Located at 30 Rainbow Road in Albuquerque, NM, in reference to a firearms exchange on the fourth level of the parking structure.

Security stated the male subject from the white car was in the elevator and was going to the fourth level parking lot toward his car. Myself, Officer Garcia and Officer Tommy Gonzales made our way to the fourth level parking lot. We were able to locate the male subject shown on video taking the firearm who placed it in the trunk of his car. Myself and assisting Officer's Garcia and Gonzales made contact with a Mr. Edward Crist, identified through his New Mexico Drivers License, on the fourth level parking garage by the white four door vehicle Bearing NM Plate 910TNB were the firearm was observed being placed on video. We informed Mr. Crist the reason we stopped him was because he was seen on video taking a firearm from a unknown male in a red Honda vehicle and placing it inside the trunk of his vehicle.

While talking to Mr. Crist he stated he is a convicted felon and that there is a shot gun in the trunk of his car that he received earlier from a unknown male in a red in color Honda vehicle. Mr. Crist was placed under detention. I ran Mr. Crist through dispatch and they informed me that Mr. Crist had prior Felony charges and was recently discharged from probation. While pat searching Mr. Crist a glass pipe and three small baggies of a black substance, suspected black tar Heroin, was located in his right front pocket. These items were seized for evidence.

When I ran the License Plate on the vehicle, it returned to a 2004 Buick four door passenger car and was registered to Edward Crist. Dispatch notified me that Albuquerque Police Department (APD) ran the vehicle approximately 10 times earlier tonight. I made contact with dispatch and they stated that the vehicle was involved in two armed robberies in Albuquerque, NM earlier in the night. Sandoval County Dispatch notified APD dispatch of the incident.

Mr. Crist granted permission to open the trunk of his vehicle and retrieve the firearm. I asked Mr. Crist for the keys to his vehicle that were in his hand. I asked Mr. Crist who the shotgun belonged to and he stated he bought it off the streets. Mr. Crist gave me his keys and when I opened the trunk, I retrieved a 12 gauge model 88 Maverick shotgun which had six shot gun shells loaded. A military Flak Jacket was also next to the shotgun. I ran the shotgun serial number through dispatch to see if it was stolen. The shotgun was clear and was not reported stolen. The shotgun and flack jacket were seized for evidence.

Sandoval County Dispatch notified me that Investigator Joe Lopez from APD wanted to speak to me about the incident. I informed Investigator Lopez of the incident and he wanted to interview Mr. Crist of the two armed robberies that Mr. Crist might have been involved in. I coordinated with
